DOCKET FILE COPY ORIGINAL

To: The Commission

**MOTION FOR LEAVE TO FILE OUT OF CYCLE
SUPPLEMENT TO REPLY OF
COMMUNITY TECHNOLOGY CENTERS' NETWORK**

Community Technology Centers' Network ("CTCNet"), hereby requests leave to file a supplement to its Reply to Opposition ("Supplement") in the above-referenced proceeding outside of the filing schedule for pleadings established by the Commission in this Docket.¹ Due to the voluminous size of the Joint Opposition submitted by Sprint and Nextel on April 11, 2005, the complexity of the issues raised in this proceeding, the short seven day timeframe provided for the preparation of CTCNet's Reply, and the size and magnitude of the issues addressed by CTCNet in that Reply, CTCNet inadvertently omitted one important point that it believes deserves consideration by the Commission in its review of these matters.

Acceptance and consideration of CTCNet's Supplement will not result in prejudice to the Commission's processes or to any other party to the proceeding. Because the reply was the last pleading authorized in the pleading cycle, with no further opportunity for response by the Applicants, there would be no undue prejudice on other

parties affecting their preparation of responsive pleadings. Further, because this supplement is being submitted within four days of the close of the pleading cycle, there would be no substantial burden on the Commission staff or the Commission's processes to accept and consider CTCNet's Supplement. Finally, consideration of the matters raised will lead to a full and fair consideration of all relevant issues in this proceeding in furtherance of the public interest, convenience and necessity.

Respectfully submitted,

COMMUNITY TECHNOLOGY
CENTERS' NETWORK
